This three-story, 79,010 square foot, Class A office building is one of two in the architecturally distinctive Vantis development. Strategically located in the emerging urban center of South Orange County, it offers an environment where tenants can live and play just steps from where they work. The live/work units at City Walk, the condominiums at Latitudes and new 435-unit Vantis apartment complex are adjacent to the property while the City Lights apartments are just down the street.

Vantis is served by the Aliso Viejo town center offering a wide variety of shops and restaurants including Eureka, Opah's, Urban Plates, Wahoo's, Chick-fil-A, Staples, Barnes & Noble, and more.

In addition, a Hilton Homewood Suites hotel sits across the street. Access to Vantis is easy and convenient from the 73 Toll Road or the 5 and 405 Freeways.

130 Vantis offers efficient 25,000 square-foot floor plates that work well for single or multi-tenant users. Lobby and interior finishes, construction and materials are all of the highest standards. Backed by the long-term ownership and customer service expertise of Shea Properties, Vantis is a clear choice for many emerging companies.
